① Entrance

Here is the entrance. There will be an admission counter on right.

② Admission counter

Helmets and protectors are free to rent. It is highly recommended to wear these equipments for your safety.

Please show the flyer here and pay 1,000yen.

④ Now Let's skate!

Tie up the skate shoes, wear helmets and protectors, and now ready to go out!
Be sure to skate safely and have fun!

⑤ After finishing ice skating

After enjoying ice skating, let's eat your favorite steamed bun at eating space!

CAUTION

- The ice skating rink may be closed due to the weather condition.
- In order to minimize the fall-injury risk, be sure to wear helmets, protectors, hats and gloves.
- When you are injured, the ice rink can provide simple medical treatment, however, only Japanese language available. In some emergency cases, a patient may be transported to the local hospital by ambulance.
- In case of injury/sickness, paid-interpreter service is available.

③ Rental Shoes Corner

Go straight to the back of the building and you will find a skate shoes rental counter. Please tell your shoe size and show the flyer.
