

What kind of place is Hakodate ?

Hakodate is located approximately 900km northeast of Tokyo and in the south of Hokkaido. It is a sightseeing city visited by more than 5 million people per year, and home to more than 20 Michelin-starred tourist destinations. You can enjoy beautiful night views, vibrant nature, and traditional streetscapes in Hakodate. It takes approximately one hour and twenty minutes to reach Hakodate by flight from Tokyo and about four hours and twenty minutes via Hokkaido Shinkansen (bullet train), making it a great Hokkaido destination due to its convenience of access. From Hakodate Airport, there are also direct flights to Taiwan.
