How to read the diagram

Find your point of departure and your destination in the pink boxes. Where the row and column intersect are your transportation options. (Refer to the legend)

[How to read the table when wanting to make a transfer]

Connection discount system of Tram/Hakodate Bus

Connection discount of tram/Hakodate bus can be used when a direct line is not available or when service is limited. (Connection discount cannot be used on some lines and when transferring to the Hakodate Teisan Bus's line and the Hokkaido Kanko Bus's line.)

When riding the tram/bus by paying the fee in cash.

At transfer-designated stops (such stops are circled with a double line on the back of the transit map), a discount will be valid within two hours after getting off a tram or bus.

- At the time of paying the fare of the first tram/bus, put the numbered ticket in the farebox and relate your destination to the driver. Then, pay the additional fee and obtain a connection ticket. (It's called "Noritsugiken")
- When paying the fare for the second tram/bus, put the numbered ticket in the farebox. If you get off within the ¥210 area just put the connection ticket in the box. If you get off at a stop outside the ¥210 area put the connection ticket in the farebox along with the additional fare (designated fare minus ¥210).

When riding the tram/bus using an IC card "ICAS nimoca"/"nimoca" ※No discount for other IC cards

- If the transport mode is the same, (tram to tram or Hakodate Bus to Hakodate Bus) the fare for the second tram/bus will be discounted by up to ¥160. Please note however you must get on the second tram/bus within 60 minutes from getting off the first tram/bus.
- If the transport mode is not the same, (tram to Hakodate Bus or Hakodate Bus to tram) the fare for the second tram/bus will be discounted by up to ¥160. Please note however you must get on the second tram/bus from the designated transfer stop within 60 minutes from getting off the first tram/bus.
